Who We Are

The mission of The Food Bank of Western Massachusetts is to feed our neighbors in need and lead the community to end hunger.

Founded in 1982, The Food Bank is a hunger-relief nonprofit serving individuals at risk of or facing hunger in Berkshire, Franklin, Hampden, and Hampshire counties. Our facility in Hatfield includes a distribution warehouse and business office.

As the leading provider of emergency food that reaches individuals and families with low incomes in western Massachusetts, we distribute food to our member agencies — independent food pantries, meal sites, childcare centers, shelters and elder care facilities.

Food Sources

The Food Bank is the regional distributor of USDA commodities and the Massachusetts Emergency Food Assistance Program (MEFAP). In addition to distributing food, we work with the community to develop strategies that will reduce the number of people in our area who must rely on emergency food.

The Food Bank also:

- rescues food that would otherwise go to waste
- solicits food donations from a variety of sources
- uses donated funds to acquire large quantities of food for distribution

Programs

Building stronger communities through a variety of initiatives:

**Brown Bag: Food for Elders** — delivering free bags of groceries once a month to seniors, at numerous sites across the region

**Mobile Food Bank** — delivering fresh, healthy food directly to underserved populations

**Agency Relations** — working with our member agencies (pantries and meal sites) to better service the increasing number of people seeking assistance through trainings, capacity building support, and sharing of the best practices

**Nutrition Education** — providing workshops on basic nutrition and eating healthy on a budget

**SNAP Outreach** — providing enrollment and application assistance to eligible clients

**Advocacy** — leading the community in advocating for change, bringing issues of hunger to the forefront and empowering people to work towards developing solutions

**The Coalition to End Hunger** — launched in 2017 to identify and support changes that will help to resolve the underlying causes of hunger: coalitiontoendhunger.org

Funding

The Food Bank receives donations from individuals, businesses, foundations, civic organizations, faith-based groups, member agencies, schools, and government. We also rely on the generosity of professionals who donate valuable pro bono assistance of services and supplies as well as sponsorships for special events.

*For every dollar donated, The Food Bank can provide four meals.*
