The Food Bank of Western Massachusetts is moving to a new, larger, greener Food Distribution Center and Headquarters in Chicopee, MA.

**Truck drivers will begin making deliveries at the new location on WEDNESDAY, SEPTEMBER 6, 2023.**

**All deliveries must be made through the truck entrance on East Main Street. Trucks are NOT permitted to enter via the Carew Street entrance.**

When you arrive, buzz in at the receiving door to check in. You will be assigned a dock to back into for unloading. We will continue our practice of having delivery drivers wait in their vehicles until all product has been unloaded. The Food Bank receiver will come out and hand you your paperwork when we have finished processing the load. The good news is, unlike our Hatfield location, there will be access to a bathroom for delivery drivers!

Questions? Please call **413-247-9738**.

We cannot do this work without you. Thank you for all you do to support our mission.
